

REMARKS

Applicants gratefully acknowledge the courtesy shown to their undersigned representatives by the Examiner in a telephone conversation on June 28, 2001, regarding the sequence listing for the above-cited application. From that conversation, Applicants representatives understand that the substitute sequence listing filed on March 1, 2001 in this case has not been entered because the paper copy of the sequence listing was not underlined. In accordance with that conversation, the application has been amended to substitute the attached, underlined copy of the sequence listing for that filed on February 14, 1999.

Also enclosed is a further copy of the "Sequence Listing" in computer readable form in compliance with 37 CFR 1.823(b) and 1.824, and a statement that the content of the paper and computer readable copies are the same as set forth in 37 CFR 1.821(f).

No fees are believed to be due by this paper. Nevertheless, the Commissioner is hereby authorized to charge any fees required by this paper, and to credit any overpayment to Deposit Account No. 02-4800. A duplicate copy of this paper is enclosed.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
